1. Source claims to have learned from a Soviet intelligence officer in Vienna that subject, HEILER Dr. (fnu), a former colleague of one (SS Col) STEINLE (fnu), is a principal agent for the Soviets and is engaged in courier activities between Austria, Germany and Switzerland. The cutout believes HEILER to be a cover name and that the personality indicated is one HUEGEL Dr. (fnu), a former associate of STEINLE, chief of the SD, Stuttgart. Reference is made to the following SHAEF cards:

HUEGEL Dr. Claus (Klaus), (SS Sturmbannfuhrer), SD
Stuttgart, Berlin and Italy; arrested 28 April 1945 at
Ormo, Italy. SHAEF cards, 84897, 37032, 3390, 83694 and

STEINLE Eugen, (SS Obersturmbannfuhrer), SD Stuttgart;
RSHA Berlin. SHAEF cards, 97554, 120780, 47267, and 43133.

2. HEILER, a native of Wuerttemberg, reportedly travels weekly to the Hotel Imperial, Vienna, to deliver his reports. On 19 February 1951 HEILER allegedly met four men, in connection with intelligence matters, at Hans Obermuehle, Garmisch, U. S. Zone Germany.

TO: Assistant Chief of Staff, G-2
US Forces in Austria
APO 168, US Army

1. Reference is made to letter from G-2, US Forces in Austria, dated 20 March 1951, subject as above, requesting any information which might corroborate Subject's alleged activities in the GARMISCH area on behalf of RIS.

2. Inclosed herewith is a copy of a CIC report in which is set forth the results of an investigation conducted in the STUTTGART area.

3. The files of CIC Central Registry contain information obtained also from old Gestapo files which is substantially the same as that set forth in the inclosure. However, the file information does not add other pertinent detail.

4. Investigation by CIC MUNICH failed to reveal that Subject was active in the GARMISCH area. The guest register at the Haus OBERMUEHLE, GARMISCH, did not contain the names of any of the persons mentioned in the referenced correspondence.

5. No further investigation is feasible in the GARMISCH area unless additional information, as to names and description of the men who met with Subject in GARMISCH, can be made available to this Division.

6. The information obtained to date does not seem to substantiate completely the allegation that Klaus HUEGEL is identical with Subject or that he has been active as a Soviet courier between Wuerttemberg and VIENNA.

7. Investigation will be continued with a view to ascertaining whether Klaus HEUGEL could be identical with Subject and with a view to determining the nature of HEUGEL's current activities. Pertinent information if developed will be forwarded to your headquarters.

HEILER, fnu (HUEGEL, fnu)

19 April 1951

I-21435; B-125548

1. REASON FOR INVESTIGATION:

Reference is made to Doc. Headquarters, 66th CIO Detachment, subject as above. File: B-125548, dated 5 April 1951. HEILER, an alleged Soviet intelligence agent, is believed to be identical with a Dr (fnu) HUEGEL, a former Sicherheitsdienst (SD) (Security Service) official in STUTTGART (149/302). Investigation has been initiated in an effort to identify HEILER and HUEGEL.

2. SYNOPSIS OF PREVIOUS INVESTIGATION:

a. Information received from G-2, USA, indicates that (fnu) HEILER, former colleague of ex Colonel (fnu) STEIN, is a principal agent for the Soviets, and is engaged in courier activity between VIENNA (049/X49), Austria, Germany, and Switzerland. It is believed that HEILER is actually Dr Klaus HUEGEL, former SD official in STUTTGART, who was arrested in COME, Italy, in May 1945, and extradited to Swiss authorities in December 1947 for interrogation.

b. Information in Region I Registry, dated in 1946, indicates that Dr Klaus HUEGEL was chief of the SD Abteilung (Department) VI, Foreign Intelligence Leitschnitt (Main Sector), STUTTGART, with the rank of SS-Sturmbannführer (major) from 1943 to March 1945. HUEGEL's chief was SS-Standartenführer (Colonel) Eugen STEINLE, and the secretary of the SD office in STUTTGART was Elisabeth CHRIET, born 27 June 1910 in MICHELFELD (150/S45). CHRIET was married on 15 February 1946 and her present name is Elisabeth CHRIET. In 1946, Klaus HUEGEL made statements to CIO agents in STUTTGART concerning the activities of a Dr Theodor WINKEL whom HUEGEL admitted sending to Switzerland to do espionage work for the SD in 1942. Information in the dossier of Guenther BIRNAU, former source of Region I, dated 10 July 1948 and 28 June 1949, File: I-23651, indicates that HUEGEL was living then in HEIDELBERG (150/879), Handschuhscheimer Landstrasse 15, and was a former SD expert on Switzerland and Luxembourg.

3. PRESENT INVESTIGATION:

a. Background data:

Name: Klaus HUEGEL

Birthdate: 30 January 1912

4. A check of the STUTTGART Einwohnermeldeamt (Residence Registry) revealed that Klaus HUEGEL came to FILLACH from H. IDELBERG on 28 October 1950. There is one Eugen SCHILLER registered in STUTTGART, which subsequent investigation revealed is not the former S. Colonel who was H. C. L.'s chief. Elisabeth CHRIST, nee CHURCH, is registered as living in STUTTGART at Lauschnersstrasse (2) with her parents. (B-2)
5. Anna S. WALTER, FILLACH, Robert Koch Strasse 11, was interviewed by A-909-I on 11 April 1951 and stated that Dr Klaus HUEGEL is not well known in his neighborhood, since he has only lived in Robert Koch Strasse, a new housing development in FILLACH, since October 1950. (B-6) HUEGEL is a company lawyer with the STUTTGART branch of the Verband Kuerstleberg-Badische Omnibus Unternehmer (Association of Kuerstleberg-Baden Bus Operators), STUTTGART/AMC.R. Ulmerstrasse 205, with which organization he has been employed since 1 October 1949. (B-2) HUEGEL has a private vehicle, which he drives to work each morning. Nothing is known of possible trips outside Germany, although he allegedly spent a recent vacation in Bavaria, near the Austrian border. (B-6)
6. Elisabeth CHRIST, presently employed as a secretary at the BAUMHOECHT Electrical Manufacturing Company, STUTTGART/HESLACH, Heidenklingenstrasse 20, was interviewed by this agent on 16 April 1951. CHRIST stated that she had been employed with the SD office in STUTTGART, Reinsburgstrasse 36, from 1941 to 1944. CHRIST remembers Dr HUEGEL as an expert on Switzerland, and remembers that he was one of the more prominent members of the SD, being considered a very efficient agent. Concerning the name HEILER, CHRIST stated that she remembers this name vaguely, but because of the lapse of time involved, she cannot state definitely whether HEILER was one of the SD officials within the organization. She is inclined to believe, however, that this was the case. When asked whether Dr HUEGEL ever used a cover name, possibly HEILER, Frau CHRIST said she could unfortunately not remember. CHRIST referred this agent to a (fnu) BRENNER, colleague of Dr. HUEGEL and Eugen SCHILLER, who, she believes, may be able to clarify the situation. Frau CHRIST has not been in contact with HUEGEL or with any of the other members of the former SD office in STUTTGART since 1945 or 1946. Frau CHRIST promised to contact this agent if she can recall any more of the details concerning the name HEILER. (B-6)

7. UNDEVELOPED LEADS AND FUTURE ACTION:

- b. The following persons are also being sought in the STUTTGART area, who, as former SD personnel in STUTTGART, may be able to provide leads as to the correct identity of HAILER and his connection with HUEGEL:
- (1) Lydia ~~H. HAILER~~, former secretary and stenographer in SD STUTTGART
 - (2) ~~Friedrich H. HAILER~~, former Unteroffizier (Sergeant) assigned to SD STUTTGART
 - (3) ~~Walter H. HAILER~~, former SS-Hauptsturmfuehrer (Captain) in SD STUTTGART
 - (4) ~~Heinrich H. HAILER~~, former SS-Sturmabfuhrer (Major) in SD STUTTGART
- c. A confidential source with connections among former SD and Gestapo persons is also attempting to gather information relative to this case.
- d. Technical coverage will be placed on Klaus HUEGEL.

3. AGENT'S NOTES:

POSSIBLE R/S AGENT KLAUS HUEGEL
OF INTEREST TO WESTERN INTELL. >

- a. Background Information: No additional pertinent information other than that presented in paragraph 2b of this report is available in Region I Registry.
- b. Comments and Opinions: Information obtained to date does not indicate that HUEGEL is in a position to act as a Soviet courier to VIENNA, considering that his position as a corporation lawyer must keep him constantly within the operating limits of his association which represents the interest of independent bus operators in Wuertemberg-Baden. Further investigation may reveal a connection between HAILER and HUEGEL, however, and for this reason, HUEGEL will be made the subject of a complete investigation through the leads mentioned in paragraph 7 above.
